

Domestic Tax Paid Shipment Estimate

Oct 29, 2020

Dear Sir/Madam:

In line with our policy of publishing an unofficial estimate of domestic tax paid shipments each month, we would like to inform you of our September 2020 estimate of 14,800,000 barrels, no change compared to September 2019 removals of 14,796,000.

We made a mid-term adjustment to the May 2020 estimate of 14,216,000 to a revised estimate of 13,770,000.

The Beer Institute estimates for the remaining months are expected to see continued revisions as TTB Industry Circular 2020-2 has postponed reporting requirements for filing and payment due dates for up to 90 days.
